Finally February!

*“The Lord delights in those who fear him,
who put their hope in his unfailing love”
Psalm 147:11*

February is finally here! Why get excited about that? According to meteorological reckoning, winter occurs during those months with the coldest average temperatures, making February the last month of winter. I prefer that reckoning over the astronomical season which doesn't end winter until the spring equinox. That doesn't happen until 10:06 pm on March 19 this year. I like to begin spring early in my mind.

February is a strange month. Somewhere around 713 BC, the Roman King Numa Pompilius added two months, January and February, to their old ten month calendar. To synch up his new calendar to match the lunar year of 355 days, he needed one month out of the twelve to contain an even number of days. So King Numa chose February to be that month, having only 28 days.

There are many fun “national” days in February, and I'm not referring to Valentine's or Groundhog Day. February 2 is National Ukulele Day, and even better, National Tater Tot Day. You don't want to miss National Lame Duck Day on the 6th, or Read in the Bathtub Day on the 9th. This year I vow not to forget to celebrate National Public Sleeping Day on the 28th. But my favorite day of all is National Pizza Day on February 9. (To be honest, I celebrate that day pretty much every Sunday).

But above all we dare not forget that February 14 is Ash Wednesday, beginning our spiritual journey into the season of Lent. This is the first of six Wednesdays set aside to contemplate the passion of our Lord. We remember our helplessness in extricating ourselves from the clutches of sin, death, and the devil, and how God's Son was so filled with love for our lost human race that he rescued us by assuming our guilt on himself and suffering the death we so richly deserved.

If you haven't typically attended our Midweek Lenten Services, be determined to do so this year. And I think you'll find your Easter celebration this time around will be more joyful and meaningful than ever before.

— Pastor Timothy Gerbing

VOTERS MEETING & ANNUAL REPORT

This report is not only a recap of the financial aspects of the past year, but also contains much information from the many organizations within the congregation as reported by your fellow members. **We will be calling two pastors** that evening as well.

Ushers Meeting

An ushers meeting is planned for Tuesday, February 6. We will begin with a pizza dinner at 5:30 pm in the grand hall, then we will review and discuss procedures and responsibilities for the coming year. Your attendance is vital to this important ministry. Please confirm that your contact information is correct. Any changes can be made by contacting the church office. This meeting is also for anyone who would like to join our ushering group. All are welcome.

Wauwatosa Campus

Worship Services at our Wauwatosa campus (724 N 112th Street) are held on Sundays at 11:00 am (including Easter Sunday, March 31). All are welcome to join us!

Wednesday Worship Services

Join us for worship on Wednesdays at 12:00 or 6:30 pm! The services are completely different than our weekend Saturday and Sunday services. The Lord's Prayer is the theme of our series of Wednesday services through February 7.

Midweek Lenten Worship Services

Ash Wednesday is February 14. Midweek Lenten Worship Services are held at the usual Wednesday worship times of 12:00 & 6:30 pm.

The theme for the 2024 Lenten sermons is "God on Trial." The unbelieving world has always insisted on putting God on trial. As our society becomes more secular, we Christians are increasingly aware of the many ways in which God—and his people—are judged. Temptations are many in this environment: treating unbelievers as enemies, retreating from the world, even questioning God ourselves. How do we live as people of God in this hostile world? We find our model—and our motivation—in Jesus. This series takes us back to the moments when God was literally on trial before men in the person of Christ. In these inspired episodes, we find forgiveness for us and all people, love for our enemies, strength for our faith, and courage to testify to the truth.

Why not commit yourselves to attend as many of the mid-week Lenten services as you can with your family? You will experience even greater joy in Christ's victory over death at Easter!

Midweek Lenten Meals

Lunch will be offered after the noon Lenten worship services at about 12:45 pm. Dinner will be offered before the evening services at 5:30 pm. We thank the many volunteers preparing and serving these meals! **If you are able to help**, please contact Lylette Smith (414-378-4107) for lunches, or Judy Tetting (262-523-1374) for dinners.

Lambs of Christ Learning Center

January was a busy month for Lambs of Christ! We adjusted back into the routine of school amidst lots of snow and chilly temperatures. In February, we look forward to having our Open House on Friday, February 2 from 9:30 am — 7:00 pm, in conjunction with Lego Night. We'll also enjoy Dad's Day on February 6 where dads, grandpas, or uncles get to spend the morning at school with us. And please join us at the 10:30 am service on Sunday, February 11 where we'll sing a song called "Child of God"!

In January, we also opened enrollment for Summer Camp 2024 and the 2024-2025 School Year with many spots filling just in the first day. We still have spaces available and enrollment is now open to the public! Children ages 12 months through 8 years may attend Summer Camp which will be held June 17 - August 23, 2024. During the school year, preschool and childcare is provided for ages 12 months through 5 years; the next school year will begin September 3, 2024. Check the Lambs of Christ webpage for up-to-date information: www.christpewaukee.org/lambs-of-christ.

Thank you for keeping the students, families, and staff in your prayers as the new year continues! Please share the news of registration and open house with those you know. All are welcome to tour the Learning Center and learn more about the early care and education provided there. Employment Opportunity: Activities Director

Katie Neuman, our current activities director, is moving to a new job in February. In light of that we are looking to hire an activities director for our church staff. This person will help to manage activities in our Pewaukee facility. The job would entail about 30 hours per week. Activities to manage and coordinate include wedding banquets, sports leagues or tournaments, showers, family events, various classes and the like. If you would like a job description, please email office@christpewaukee.org (the church office). Should you have personal interest in the position or desire more information, contact Pastor Krause or our church business manager, Kelly Harrington. Send your resume by email to kharrington@christpewaukee.org.

Volunteer Opportunities

Looking for ways to volunteer?

Visit the volunteer section of our church website, www.christpewaukee.org/volunteer.

Farmers Market Update

The Board of Directors would like you to know that the Pewaukee Farmers Market will no longer be hosted by our church. While this weekly event brought members of the community to our campus, we saw participation in the market dwindling. It was also a struggle to recruit enough reliable vendors. The directors decided to discontinue our volunteer management and sponsorship of the Pewaukee Lake Country Farmers Market. At this point we do not have information about the market's future. The board thanks all who volunteered or visited the Pewaukee Farmers Market over the years. If you have further questions, contact Glen Heuer (gheuer@christpewaukee.org).

Atrial Fibrillation

Atrial fibrillation is a quivering or irregular heart-beat or an arrhythmia. Atrial Fibrillation is also known as AFIB or AF. It can lead to blood clots, strokes, heart failure, and other heart related complications. It affects an estimated 2.7 to 6.1 million people in the United States. Over 12 million people are projected to have AFIB by 2030.

Normally your heart contracts and relaxes to a regular beat. In AFIB the upper chambers of the heart beat irregularly. Because enough blood isn't being pumped out of the chambers a blood clot can form which is extremely dangerous. The blood clot can be pumped out of the heart and can cause strokes. About 15-20% of people who have strokes have AFIB. Patients are prescribed blood thinners for clot risk.

Untreated AFIB doubles the risk of heart-related deaths and is associated with a five-fold increased risk for stroke. Many people are unaware that AFIB is a serious condition.

Symptoms include fast irregular heart beat, heart palpitations, feeling light headed or faint, chest pain or pressure, shortness of breath (especially when lying down), and tiring more easily. There is a symptom tracker on the American Heart Association website.

Treatment will depend on the underlying causes of AFIB and level of disability. It can be treated with certain medications. A cardiologist and/or electrophysiologist will participate in the patient's care. Working with one's whole medical team will provide a good outcome. Other treatments include ablation and pacemakers. Sometimes AFIB goes away, but in some patients it is ongoing.

Lifestyle changes can also help. Heart-healthy living involves understanding your risk, making healthy choices, and taking steps to reduce your chances of getting heart disease. Some risks are high blood pressure, being overweight or obese, diabetes, smoking, not exercising, and more.

Any questions regarding Atrial Fibrillation should be addressed by your medical team.

ELDER'S MESSAGE

There are things that happen to us each and every day. Sometimes they're what we want to have happen, sometimes they're what we've prayed not to happen, other times it is something completely unexpected.

Things happen to each and every one of us, every-day.

When things seem overwhelming it helps to take a breath and remember, This too shall pass.

When things are bad, remember it won't always be this way, take it one day at a time because, This too shall pass.

When things are good, remember; it won't always be this way, enjoy every great moment because, This too shall pass.

And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast (1 Peter 5:10).

We need not worry about what has gone wrong or marvel at what has gone right. We need only know that the Lord our God watches over us, protects us, gives us opportunities and choices. Nothing in this world is perfect. God is.

When things are bad, This too shall pass.

"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world" (John 16:33).

It's strange how at times the world seems so large and at other times so small. We are half a world away. We are neighbors. There are rules. There are conflicts. There is joy. There is celebration.

When things are good, This too shall pass.

So we say with confidence, *"The Lord is my helper; I will not be afraid. What can mere mortals do to me?" (Hebrews 13:6).*

When things are bad, this too shall pass. When things are good, this too shall pass.

The only two constants on this planet are change and the Lord our God. Believe in the power of change, embrace it with whatever it brings, and revel in the Lord our God, who brings the change to challenge our hearts.

— Chuck Garbedian, Fellowship Elder
